NEW TEACHERS FOR ALBANY SCHOOLS

As the school bell rings for the approximate 3000 pupils of Albany Schools, September 11, many new teaching personalities will greet them. At Cornell School Miss Margaret Merton will welcome the kindergarten tots while primary children will be met by the following new teachers:

Mrs. Genevieve Constantine, and Miss Louise Barton. Mrs. Schroeder, former sixth grade teacher, will have charge of second grade pupils. Mr. Stewart will teach fifth grade students while Milton Gordon will assume his new duties as Cornell School principal. Mrs. Ethel Grimason will be the full time librarian and visual assistant.

At Marin School the following new teachers will assume their duties: Mrs. Dorothy Dod, Miss Lois Raffetto, Miss Alice Sluiter, Mrs. Zirel Dowd, Miss Katherine C. Shier, Miss Ruth Richards, and the new full time librarian will be Miss Clarice Owen. Mrs. Lucille Teasdale will take over Elmer Venter's seventh grade class.

At Albany High School Principal Charles Moore announced the following additions to the faculty: J. A. Hoskins will be the shop instructor, taking over the duties of Robert McKeay who is now principal of Tomales Union High School. Mrs. Altman will be in the homemaking department; Ellis Nixon in the Science Department; James Wells, English; Miss Edith Gill, girls' physical education; Bertha Foster, commercial; Boyd Rea, mathematics; Miss Margaret Gean, homemaking; C. R. Laxson, instrumental music and Miss DeVore Watt who has returned from a military leave of absence.

Principal Moore urges that all students new to the school district planning to attend the eighth, ninth, tenth eleventh or twelfth grades register in advance on Monday, September 10, between the hours of 9 and 12 o'clock in the principal's office. He states that this is extremely important because programs for these pupils must be planned before Tuesday, the opening day of school.

Of special importance to parents is the change in the age of admittance for kindergarten and first grade pupils. All children born on or before March 1, 1941, are eligible for entrance into kindergarten and all those born on or before March 1, 1940, may register in the first grade. Kindergarten registration will take place in the kindergarten rooms at Cornell and Marin Schools on Tuesday. Marin kindergarten will hold a special afternoon session on Wednesday, September 12, for the parents of new pupils. Miss Erna Seeger will be in charge of the discussion.

Police, Firemen In "Grudge Battle" With Exchange Club

Albany Police and Firemen vs. Albany Exchange Club, in a grudge battle, Sunday morning, September 9, according to "Dolph" Cleary, manager of the Exchange Club varsity. The game will be played at Codornices Playground, 9th and Monroe, at 11 a. m. and the Community is invited to witness this much debated game.

Co-Captains John Viarengo of the Police Department and Dick McSheehy of the Fire Department have been holding secret practice for the past month and announced their batteries as Bill Hutt, pitcher; Ken Symington, catcher; J. Viarengo, 1st base; John Vercelli, 2nd base; Geo. Kendall, 3rd base; Bob Baker, l.f.; Earl Connors, c.f.; Gerald Browne, s.s.; Larry Finch, r.f.; Jerry Newhouser, s.f.; Utility, D. McSheehy, Wm. Hydie, James Sporo, Fred Pimental.

Viarengo stated that the odds are three to one in favor of the Police and Fire Departments pinning the ears back of the veteran Exchange Club and winning the ball game.

Chief of Police Stanley Williams, Sergeant Art Smith, Patrolmen Vernon Freeman and Jim McLeod and Fireman Dick McSheehy are definitely on the spot, according to Cleary, as they are members of the Exchange Club Ball team and their fellow officers and firemen are claiming disloyalty. It is rumored that the front office of the Exchange Club has threatened to fine any member of Exchange playing on the Police and Firemen squad $50.00 for the violation of rules.

"Dolph" Cleary stated that in spite of recent injuries to his Club the following players will be in condition by game time: Harley Cornell, 3rd base; Emmett Devine, c.f.; Vernon Freeman, s.f.; Ed. Howell, l.f.; Elmer Venter, s.s.; Bob Miller, 2nd base; Art Smith, catcher; Bob Taylor, r.f.; Al Zerga, pitcher; Phil Vercelli, 1st base; Utility players, Stan Williams; Henry Villa, James McLeod, and George Fiderio. Umpiring the game will be George Croft and Carl Nieper, Jr.; Scorekeeper, Milt Gordon.

At Codornices School Elmer Venter announces advance registration of all pupils on Thursday and Friday, September 6 and 7 from 1 to 5 p. m.

Ration Board Office Closes

Albany War Price and Rationing Board 83.1.11 will cease operations at 1407 Solano Ave., Albany, California at 4 p. m., Friday, Sept. 7, 1945.

Berkeley Board No. 83.-9 located at 2620 Shattuck Ave., Berkeley will henceforth serve this area.

As Board members and clerks we wish to thank the citizens and volunteer workers of Albany for their confidence and co-operation which enabled us to accomplish the rationing and price control tasks assigned us. We are deeply grateful to each of you and sincerely appreciate your consideration of our problems arising during the war era.

Though the rationing program relaxes, the need for price control continues. We respectfully ask our Albany citizens to give their aid and whole-hearted support to their Government and their new Board as they join in the fight against inflation.

RAYMOND F. CLEARY,
Chairman.
LUCILLE K. JOHNSON,
Chief Clerk.

New Arrival

Mr. and Mrs. Lawrence Scott of 949 Ordway Street are receiving congratulations from their many friends and customers upon the arrival of a new son Wednesday, August 29. The young man has been named Charles David. Mr. and Mrs. Scott are the proprietors of Scotts, ladies apparel store on Solano at Modoc Street.

Surprise Engagement

Miss Norma Noe of Albany surprised her sorority sisters last week by announcing her engagement to Lt. (j.g.) Thomas Burton Uber of Butler, Penna. Setting for the announcement was at the home of Mrs. William H. Stockton (Jeanne Esperance) where the regular meeting of the Upsilon Chapter of Theta Sigma Phi sorority was held.

Breakfast Clubs Will Hold Their Annual Picnic September 16th

The fued is on again. Who is the champion liar in Albany? You don't know? Attend the Women's and Men's Breakfast Clubs picnic, Sunday, September 16, at Albany Memorial Park, from 12 noon to 6 p.m. where the winners of the Dog House Annual Liars Contest will be crowned. There will be thrills 'a-popping' at this joint picnic, according to Nell Moore, chairman, and Kay Fritz, secretary.

Breakfast Club members are urged to make this an old-fashioned basket picnic and guests are invited. The refreshment committee will serve coffee, cake and soda pop for a nominal fee.

The annual men's and women's softball game between Bea Raymond's Bombers and Henry Villa's Dodgers will continue to hold the spot light of the afternoon program, as each year the game ends in an argument over the women's club providing the umpires.

Minnie Allison, chairman of the Clean Up Committee is having a difficult time, due to the shortage of aprons and finding ones large enough for her committee composed of Mayor "Buzz" Cleary and Councilmen Larry Williams, Frank Hays, and Frank Graeber.

The following committees have been appointed and are actively engaged in making preparations for this annual affair:

Picnic tables and fireplace, Art Taveira; food and refreshments, Don Bruce, Ruth Wagner, Dorothy Bruce, Stan Williams; program, Ed Howell, chairman, Joe Young, Joe Villa; prizes, Betty Allison, chairman; Minnie Allison co-chairman, Irene Villa, Martha Hollfelder; softball game, Henry Villa chairman, Bea Raymond.

Publicity committee, Charles Wagner, chairman, Ed Howell; first aid committee Dr. McMahon.

Albany High School P.T.A. Announces Unit Theme

Emphasis on building better citizens for a better world will be evident in the programs of Albany High School P.T.A. for the year ahead, according to Mrs. E. L. Stine, program chairman, who announces "Together We Build" as the unit theme.

The program plan, which conforms to that of the National and State Congresses of Parents and Teachers, will be developed through each month's regular meeting, beginning with "National and International Relations, and featuring Mrs. Sidney Wales speaking on "Facts and Personalities at the World Conference."

Each meeting thereafter will enlarge on the theme and include such topics as "Better Homes and Parents," "After High School, What?," "Good Citizenship," "Better Schools and Better Education," and "Health and Physical Fitness."

The executive board will meet in the near future to ratify the program outline and the new budget, drawn at a recent meeting at the home of Mrs. Al Magazin, president, and attended by Mrs. Walter Norton, finance and budget chairman, Mrs. Charles Ott, treasurer and Mrs. Wallace Mardilla, publicity chairman.

Volunteers For Paper Drive

With the community wide interest taken in the Waste Paper Salvage Drive scheduled for Albany, September 16, and the need for man power to help pick up the paper for shipment, the Bay View Aerie, Fraternal Order of Eagles, Albany Lions Club, Albany Exchange Club, the local Fire and Police Departments have promised assistance to veterans of Albany Post 292, The American Legion, to comb the city for waste paper.

Joe Allington will have charge of the Eagles, John Chaplik will round up the Lions, Ed Howell will get the Exchange Club "on the ball," Fire Chief Pimental will head the fire department as well as city of Albany employees, and Police Chief Stanley Williams will hold the entire line with the police department. All activities for this important drive will be headed by General Chairman Godfrey Hanson.

It is expected that this pick up of waste paper will exceed all of Albany's previous efforts as the proceeds from the sale will be given to the Veterans Hospitals Christmas Committee, Inc. Hospitals included on this list are Veterans Hospital, Livermore; U. S. Army Hospital, Oakland; U. S. Navy Hospital, (Oak Knoll) Oakland; U. S. Navy Hospital, Shoemaker, and U. S. Navy Hospital, San Leandro.

According to the National Safety Council the number of persons under 25 years old who are drowned each year is equivalent of the normal complement of 30 U. S. Navy destroyers.

SAN PABLO AVENUE AREA TO BE REZONED

Rezoning of property at 501 San Pablo Avenue from a second class residential district to a three-story commercial district zone was unanimously recommended by the City Council Tuesday evening. The Granholt Sheet Metal Company had made the request for rezoning.

In reply to several protests from the floor, Mrs. Myrtle McLean, city clerk, stated that from the 47 notifications sent out there were only four protests received. Protestants claimed that a change of classification would lessen the value of surrounding property.

Councilman Larry Williams told those protesting this action that the structure has been at this address for a number of years and that this reclassification applies to this property only. It was also advised that if there arises a sanitary problem it be taken to the city health officer and if there should be a fire hazard this should be reported to the fire chief.

A letter was read from Fire Chief Fred Pimental asking that arrangements be made for a civil service examination, as his department urgently is in need of at least five more men. As there is not a list from which this department may draw, the Council recommended that the Civil Service Commission call for an examination.

At this meeting the governing body also recommended that the city accept a bid from the Ransome Company for construction of a concrete roadway on Buchanan Street at a cost of $23,821.50.

Also recommended were the appointments of Francis F. Theophilus as a non-certified, non-civil service hoseman for the Fire Department, and Mrs. Frances Tilbury as part-time public health nurse, whose salary will be paid jointly by the city and the board of education.

Pre-School Mothers Plan Fall Program

The executive board of the Albany Pre-School Mothers Club met at the home of Mrs. W. Dietrich, 964 Stannage Avenue. The president, Mrs. M. C. Heinkel, presided.

Various committees reported on activities and Mrs. F. E. Condo, social chairman, discussed plans for a fall party honoring new mothers. Mrs. E. Fries was a guest of the evening.

The next regular meeting will be held Wednesday, September 12, at 8 o'clock in the Albany Recreation Center, 850 Masonic Avenue.

Oddly enough it takes a warm heart to cool a hot temper.

SERVING YOUR COMMUNITY WITH CONVENIENT, DEPENDABLE TRANSPORTATION

Our sincere thanks to all of you who helped

When Japan bombed Pearl Harbor, Southern Pacific became perhaps the most strategic railroad in the United States. Serving the West Coast ports of embarkation from San Diego to Portland, and more military and naval establishments than any other railroad, we were called upon to handle an enormous load.

We were able to handle this load successfully because of the great work of railroad men and women up and down the line, and with the help and cooperation of thousands of people not actually working for the railroad.

Now the war is over. The job is done. But we of Southern Pacific will never forget the way people stood by us when the task sometimes seemed bigger than our railroad.

We send our sincere thanks—

— *to the Army, Navy and Government authorities for their sympathetic understanding of our problems.*

— *to the shippers who cheerfully put up with delays so that more vital war freight could go through on time, and who cooperated in many ways to conserve equipment.*

— *to our passengers, for their good-natured acceptance of crowded trains and other wartime discomforts.*

— *to the thousands of people who stayed off the trains to make room for service men and other essential travelers.*

— *to the press and radio which understood our operating difficulties and kept the public informed.*

We do not know how quickly Southern Pacific can convert from war to peace. Soon transports will be landing thousands of war-weary men at West Coast ports, and many more must be brought back from Europe. These men will want to get home as quickly as possible. We intend to do our best to carry them in the comfort to which they are entitled. This job comes first, of course.

Meanwhile, we are planning luxurious new streamlined trains, new travel comforts and refinements in passenger service, and improvements in freight service. We intend to go forward aggressively with the West, earning our right to serve you solely on merit and performance.

A. T. MERCIER, President

S·P *The friendly Southern Pacific*
